ROBERT SMITHBACK
PRESIDENT, VILLAGE OF ROCKDALE
121 MONROE ST.
CAMBRIDGE, WI 53523

Dear Mr. Smithback:

Re: Uniform Dwelling Code (UDC) Ordinance for the Village of Rockdale

We have reviewed your ordinance #92-1, submitted by Independent Inspections Ltd. The ordinance satisfies DILHR rules stated in section ILHR 20.06 and is acceptable to the department.

You may begin enforcement of the UDC using state permit forms, permit seals and procedures explained in ILHR chapter 20. Your inspector, Independent Inspections Ltd., is familiar with this process.

Your ordinance indicates adoption of Chapter ILHR 26. Chapter 26 is the code for "Certification of Building Code Inspectors and Independent Inspection Agencies". The Smoke Detector code is Chapter ILHR 28.

We will fulfill the material order for seals and forms requested by Independent Inspections Ltd. Please call me if you have any questions on enforcement procedures or on the code.

Sincerely,

Ergun I. Somersan, P.E., Chief
Local Program Services Section
